📍 United States (Open to Remote)

SUMMARY

Experienced Product & Project Manager with **5+ years** driving AI-first B2B and B2C platforms. Adept at balancing strategic vision with hands-on execution across cross-functional pods. I turn ambiguity into clarity through agile delivery, customer discovery, and data-informed decisions. Proven record of increasing retention by 30%, cutting churn by 27%, and launching high-impact 0→1 features. Strong believer in building products at the intersection of empathy, insight, and iteration.
